IDEAS

About WOXSEN UNIVERSITY

Woxsen University is a premier institution committed to redefining education through innovation and excellence. Known for its cutting-edge infrastructure and interdisciplinary approach, Woxsen fosters a culture of creativity, critical thinking, and collaboration.

With a strong focus on entrepreneurship, technology, and global outlook, the university provides students with unparalleled opportunities to excel in a rapidly evolving world. Its incubation centers and industry partnerships make it a hub for innovation and transformative learning.

The University has a fully residential campus of around 200 acres, with around 5000+ students.

We are situated on the Mumbai- Hyderabad Highway NH65, around 30 kms from Sangareddy and 75 kms from Hyderabad.

About COTD

The Centre of Talent Development (COTD) at Woxsen University is a dynamic hub dedicated to empowering students with essential life skills and bridging the gap between academic excellence and industry readiness. Aligned with Woxsen's mission to shape future-ready leaders, COTD equips students with vital skills in communication, problem-solving, and teamwork, preparing them for a competitive professional world. Through innovative events like INNOVERSE 2.0, where participants tackle real-world challenges in a fast-paced environment, leadership series with industry trailblazers, thought-provoking book launches, engaging Olympiads and many more COTD fosters creativity, collaboration, and critical thinking amongst students.

About INNOVERSE 2.0

INNOVERSE is a **24-hour hackathon** designed to ignite creativity and foster innovation, taking place in the second week of March.

With an open-theme format, participants are free to explore and create impactful solutions without constraints, encouraging diverse ideas and imaginative problem-solving.

The event will **open on 11th March**, with the hackathon starting on 12pm onwards for 24 hours to bring your skills , creativity and innovative minds together.

The **INNOVERSE** 2.0 is coming with a prize pool of **2,50,000** along with **internship opportunities** for the top 10 teams

Recap Of Previous **INNOVERSE**

Last year's INNOVERSE was a highly anticipated campus hackathon that brought together tech enthusiasts, innovators, and problem solvers for an electrifying 12-hour journey of creativity and collaboration.

The event, held on September 27 and September 28, saw an intense internal university competition, encouraging participants to bring their unique ideas to life. With around 100+ participants,

All 25 teams in the hackathon saw a night of intense brainstorming, coding, and pitching. Participants worked tirelessly to craft solutions to real-world challenges, showcasing remarkable innovation and teamwork.

The energy in the room was infectious, as every team displayed their passion and commitment to their projects.

The final presentations to the jury were awe-inspiring, featuring a diverse range of ideas from cutting-edge prototypes to impactful community solutions. The event concluded with a grand prize distribution ceremony, with a 50K prize pool, honoring the top teams for their outstanding work.

Beyond the competition, INNOVERSE was a celebration of learning, networking, and the power of innovation. Its resounding success has paved the way for INNOVERSE 2.0, promising to be an even greater platform for creativity, collaboration, and turning ideas into reality!
